### *The Sing Sing Museum Project*

*Jerry Faiella, Project Manager*

*The establishment of a museum at Sing Sing Prison is a project that has long been talked about, and that is now being revived by those who care about Sing Sing's unique position in the history of the American Penal System. Project director Jerry Faiella of Ossining, together with Dana White, Ossining Village Historian and Museum Project board member, will bring us up-to-date on the concept and design of the project, and the current organizational and funding efforts to bring it to reality.*

*Please plan to lunch with us at the Pleasantville Country Club following the meeting!*

*This is the final meeting of the 2017-2018 lecture season.  
We will resume in the Fall after Labor Day.  
We are grateful to the Friends of the Mt. Pleasant Public Library  
for their co-sponsorship of our lecture series.  
Thank you!*
