It's Lovely Here! Glen Island 1879-1923

Gigi Carnes, WCDPR&C Curator

The County's modern Glen Island Park was initially developed on five separate islands as a summer resort by John H. Starin. The original design exhibited the five cultures of the western world on individual islands linked together with piers and causeways. Come learn the fascinating history of the current park.

Please plan to stay for lunch with Gigi at the Unique Affair restaurant at the Pleasantville Country Club.
