Meeting at the Library, September 21, 2018, at 10:30 a.m.

Letterpress Printing is Alive and Well in Westchester County

Steve Varvaro, Southpaw Printers, Westchester Chappel

Steve is a member of the Westchester Chappel, an elite group of letterpress printers and enthusiasts, including our own Raleigh D'Adamo. In addition to his introductory slide show presentation, Steve will be bringing his 200 lb. letterpress to our meeting to demonstrate how it works, and then will allow audience members to set their own type and take home a souvenir of their own handiwork. Don't miss this unique experience!

Please join us for luncheon at the Unique Affair restaurant at the Pleasantville Country Club following the meeting

*We are grateful to the Friends of the Mt. Pleasant Public Library for their co-sponsorship of our lecture series.
Thank you!*
